THE BUILDERS' ASSOCIATION 2022 ANNIVERSARY EVENT

The annual **Builders' anniversary event** recognizes the Builders' Scholarship Foundation recipients and celebrates member milestone anniversaries. This year, we've put together an amazing program at The College Basketball Experience, allowing attendees the chance to experience the world class entertainment facility in all its glory. Check out the Hall of Fame, try virtual dribbling, or shoot some old-fashioned hoops as we celebrate our industry together. **#builderscelebrates**
